Subject: FW: Public comments on the Dewey-Burdock draft EJ Analysis
Attachments: Ex. 6 Personal Privacy (PP) Public Comment Dewey-Burdock Class III and Class V Injection Well Draft Area Permits.pdf

The attached document provides very helpful details about uranium impacts to the Edgemont area and Pine Ridge Reservation and also provide references for me to look into more closely. I have not reviewed the document it in detail yet.

I am just compiling the comments at this point, but wanted to share this with you early on. I will give you a heads-up in a few weeks when I am ready to dive into the EJ analysis again.

Thanks for all your help so far!

Valois
